

MADE IN ITALY

EMIL  
CERAMICA

## THE GLOBAL FLOORING LEADER

Mohawk is the world's largest flooring company and so much more. With leading market positions on four continents, Mohawk offers a comprehensive array of fashionable, high performance and sustainable flooring options for residential and commercial spaces as well as a growing selection of products for surfaces beyond the floor.

Established in 1961, Emil Ceramica is the supreme Made in Italy brand in the ceramic coverings industry. It combines a drive to innovate with a respect for tradition, delivering a perfect blend that makes Emil Ceramica collections unique. Responsive to trends with an ever-present attention to detail, one of the brand's core values, a constant in the wall and floor tile offerings available.

Emil Ceramica is one of the most important companies on the Sassuolo ceramic district and one of the top 10 Italian tile manufacturers in terms of turn over.

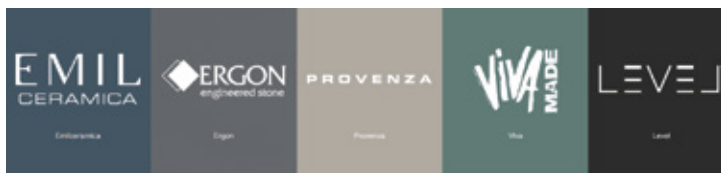

"We are agents of change. Our aim is to stimulate inspiration, making the ordinary extraordinary".
